

## SCRIPPS RANCH FRIENDS OF THE LIBRARY Courtyard Paver Purchase/Donation

As a member of our community, you are cordially invited to purchase an everlasting piece of the **Scripps Miramar Ranch Library Center**. Terra cotta paver tiles, which are used as a floor covering in the library's courtyard, are "for sale" and can be permanently engraved in recognition of your family, organization, business, or any other person you wish to honor. Consider sharing the purchase of a paver with your neighbors or friends. Proceeds from your purchase will be used to purchase books, capital equipment, or to further enhance the library. **This is a unique opportunity to support our library center and simultaneously leave your legacy.** Small (6" x 6") standard (engraved text only) and large (12" x 12") standard or customized (engraved text and personalized artwork) pavers are available. To order your paver, simply complete the form below and return with your payment. For more information, please write to the address below or contact any SRFOL Board Member.
